## TESTIMONIAL

Dear Dr. Yogesh,

Thank you Dr. Yogesh Ghongde for treating my son Advait. My son was diagnosed with **dengue** and had high fever and low platelets count. Dr. Ghongde told me not to worry and treated him with his homeopathy medicines and my son **recovered very well within a week.**

There was **no need to admit him to the hospital** and he got cured at home only and due to proper guidance from Dr. Ghongde. My experience with Dr. Ghongde was very good and I will surely recommend him to all my family and friends.

Thank you once again.
