### TESTIMONIAL

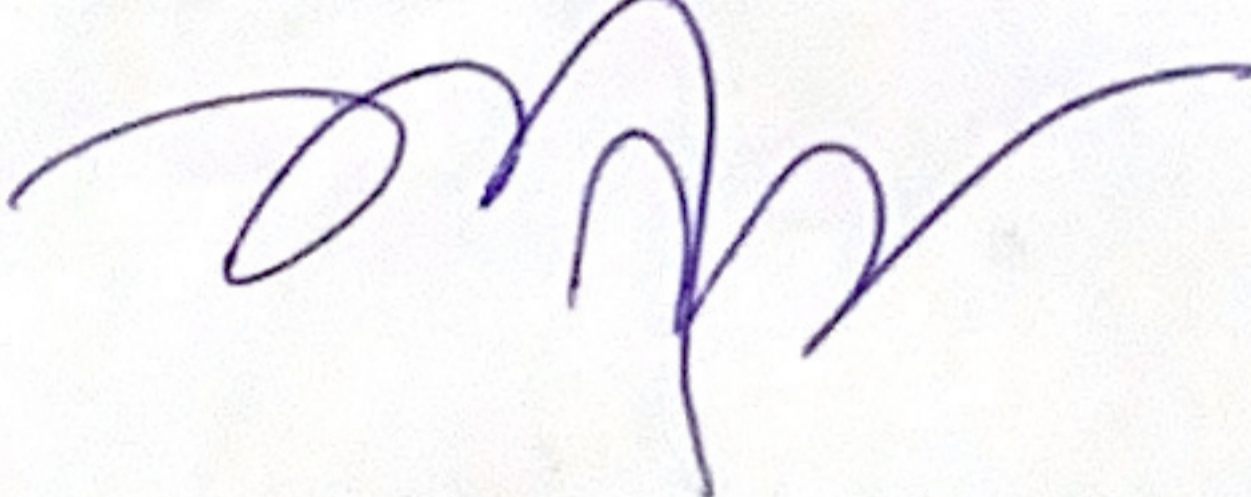

I am Ar. Ashfaq Aboojwala, Partner at NBZ Architectural Consultants a 40 year old award winning architecture and interior design consultancy practice with offices in Nasik and Mumbai and projects pan India.

What do you do when a Doctor says without even asking - "I want to treat you"; well you just have 100% faith in him and go for it.

This is exactly what I experienced with Dr. Yogesh Ghongde's treatment when I was down with dengue. I can proudly say the His treatment got me back on my feet within 24 hours when other allopathic medicines were not able to.

I would highly recommend Dr.Ghongde's Sanjivani homoeopathic clinic not only for minor ailments but any ailment possible.

Best Wishes,

Ar. Ashfaq Aboojwala
